Mabel R. Hearst

The worst about
 May Ranney Hearst
Is that she wants
 to be the first;
At breakfast or
 at dinner table,
At picnics, parties—
 hark to Mabel!
“Me first!” she cries
 “Please wait on me!”
She is a Goop;
 now, isn't she?

Carmichael Morse

Carmichael Morse
is cute and cunning,
But he will leave
the water running!
When he has finished
at the sink
He'd turn the faucet
off, you'd think;
But he's a Goop,
and Goops forget!
That's why the carpet
gets so wet.
